W. Ito Wright a description of  
a character Thursday 12th January

Green, G., a big evil creature of the  
night was lurking in the mead - he  
ready to strike.

On the top of his bulging head,  
were strands of Medusa-like hair.

Below this, he had eyes that shone  
like lightbulbs when he looked  
up at the night sky.

Green del had tooth like machetes  
so he can tear a part human flesh.  
His bulging, spotty skin protrudes  
on every where.

His talons were as sharp as  
daggers ready to grab his victims

I: to write a descriptive story opening

In the endless darkness of the night a monster lives. The dark being has eyes of glowing fire and ears as pointed as knives. Its tail is the unknown and it only comes out at night for a feast of bone and flesh. Its skin is as slimy as fish with a foul smell of sewage. Its claws are ~~sharp~~ deadlier than the sharpest daggers. Hrothgar's village was the first to suffer.

The creature's tail was ~~springy~~ as spiky as ~~a~~ hedgehog. The creature was heartless and feral ~~on~~ ~~it~~ ~~was~~ ~~anger~~ ~~and~~ ~~fear~~, it showed no mercy. Its name was Grendel, Grendel didn't care who he killed. Fantastic description Jacob (S)

as long as he could eat it and torture ~~it~~. He was never welcome, the beast could not be stopped unless ~~it~~ <sup>there</sup> was a true hero <sup>that was</sup> <sup>past</sup> part human of unradginable power. ~~it~~ ~~will~~ then ~~Grendel~~ lives on.

This is a superb piece of writing, Jacob! It just goes to show that you CAN do it!

Dear Diary,

Today has been a memorable day because I continuously enjoyed glam my intelligent garments, especially when I clearly could get my delicious chocolate bag <sup>which I had bought</sup> and got clean up the silver tin.

Finally I managed to get back home from work and spending the time pleasantly with my family. Eventually to not forget I will never forget to reach for my shower and brush my teeth with my gold toothbrush.

I emptied up my dirty clothes and other mess and I showered for a couple of minutes with the foaming soap. Then without any hesitation, my body got stiff and my head got ached. So I sat my body down and rested. My head got stiffer and my eyes got stiffer. What I was thinking was that I was going to die.

sleeping is the best thing to do when you are stiff and ached.

I hope I have written well and clearly.
