Friday 22nd April 2016

Dear Parents/Carers,

As part of our curriculum the children take part in Sex and Relationships Education (SRE) lessons. Next week Year 5 will be doing their second SRE lesson where we will be learning about the impact puberty has on the body and ways they can be supported through this in more detail. Some of the areas that we will focus on are menstruation, erections and sperm production. The children will have a chance to ask questions and discuss these topics.

If you have any questions or concerns, please come in and speak to a member of the team.

Many thanks,

A. Reed

H. G.
