

Phonics

Dear Parents,

Letters and Sounds

Now that we have started Phase 2 of our Phonics programme, we would like to give you the opportunity to come and see how our Phonics sessions work. It is also a great opportunity for the children to show off what they know already!

We would like to invite you on **Friday 4th November at 9am** to join your child for Phonics. We will also be able to explain a little more about what is involved in learning Phonics and there will be time to answer any questions you may have.

If you are able to, it would be lovely to see you!
