Dear Parents

"11 up" section for Year 6

We have created a collection of books in our library called "11 up" which are just for our Year 6 children. Our aim is to encourage the children to read a more varied and demanding range of books.

The collection contains some classic and some newer titles and has been added to over time. The collection is broadly based on the "11 up" section found in the public library.

As the title suggests, some of the material is of a more mature nature and some of the titles are challenging reads. With this being a new venture for your child, I would like to invite you to come and see the titles currently available and if you would like to, borrow them to read before we let the children have access to them.

We hope that you will support us with this reading initiative and your views are welcomed. If you would prefer your child did not borrow books from the "11 up" section, then please complete the reply slip indicating your views.

The collection will be available to your child once their reply slip has been returned.

Yours sincerely

Sasha Dawkins
School Librarian
